<p>Achievements</p>	<p>I have completed many new and different challenges both physical and mental since leaving Mill Chase. I have been fortunate to experience so many different things, mainly at university. It has been a great experience to meet amazing new people and share the start of my professional career with them. I have found it important to learn new things about my own capabilities on a day to day basis.</p>
<p>Personal Message</p>	<p>School was one of my most joyful experiences ever. To this day my friends and I reminisce about the things that occurred at school.</p>
